Annexe 1400 Series 4 - 2.1M
\$399.95

Details

Built to beat the outback brutality, the Annexe 1400 2.1m for Dakota S4 by 23Zero is the rustic and roomy solution for your campsite clobber.

Designed to connect to the Dakota Series 4 Rooftop Tent, this annex is ideal for keeping bags and shoes sheltered from the elements. Simply slide into sail track and secure the walls closed via the zipper for an efficient, roadside setup. Rough it in rugged royalty owing to the 210-denier polyester Oxford construction, large annex doors and windows, and a 550gsm PVC, tub-style floor - the latter removable for easy cleaning. Dual-purpose doors also act as awnings, while fine mesh screens allow mediation of mugginess, insects, and airflow.

With an included carry bag too, the 23Zero Annexe 1400 2.1m for Dakota S4 is the storage solution for your outback tackle!
