

23Zero
Annexe 1600 Series 4 - 2.1M
\$439.95

Details

Built to beat the outback brutality, the Annexe 1600 2.1m for Dakota S4 by 23Zero is the ultimate setup extender for keeping your camp clobber protected.

Designed to connect to the Dakota Series 4 Rooftop Tent, simply slide this annexe into the sail track and secure the walls closed via the zipper for an efficient, roadside setup. Ideal for keeping bags and shoes sheltered from the elements, rough it in rugged royalty owing to the 210-denier polyester Oxford construction, large annex doors and windows, and a 550gsm PVC, tub-style floor - the latter removable for easy cleaning. Dual-purpose doors also act as awnings, while fine mesh screens allow mediation of mugginess, insects, and airflow.

Bundled into the included carry bag for tidy, compact packing - the 23Zero Annexe 1600 2.1m for Dakota S4 is the trusted solution for outdoor storage.

Compatible only with the Dakota Series 4 Rooftop Tent
Suits height 1850mm to 2200mm
