Details

Keep your cool in the heat of the Aussie summers, with the 50L Down Under Fridge Freezer by EvaKool.

For versatility on every adventure, the removable lid, baskets, and divider allow convenient accessibility to your fridge contents, and easy maneuvering and operation as either a dual or single-zone unit - so your tucker stays tidy during the rough and tumble of offroad travel! A clever cooler, tie-down points either side offer a sense of security - and get a grip on your grub too, thanks to spring-loaded handles.

Australian-made and built for the blistering outback burn, this unit boasts a 15-Amp resettable circuit breaker, three-level battery protection to compliment all systems, and correspondence to its unique Aussie-made Bluetooth Smartphone app - so you can go from the sunbaked bushlands to kicking back on the boat with a streamlined fridge setup. With a neon blue, easy-to-use digital display for ambient temperature control and power supply monitoring too, your fridge is under control so you can go above and beyond out yonder.

The EvaKool 50L Down Under Fridge Freezer backs you up on every blistering outback adventure!
