

Tiegear Guy Rope

\$24.95

Details

A single guy may not be tied down - but Tiegear's Single Guy Rope is the most secure bit of kit in your getaway gear bag!

From awnings and swags to tents and camper trailers, this guy rope is designed for a quick, simple, and organised setup process. Featuring its very own tensioning system, the rope is passed through in one direction to ensure streamlined ratcheting and slackened again with just a pull of the release pin. Clip directly to your apparatus, disconnect easily for an efficient pack down, and store in the UV-resistant mesh bag for a neat, tidy tackle situation from the home storage unit to the off-grid road trips.

A single guy will tense - but Tiegear's Single Guy Rope will tension!

Suited to awnings, motorhome awnings, tents, swags, roof top tents, caravans, and camper trailers Simple connect and disconnect mechanism Unique tensioning system and release pin Strong 320Kg rope rating UV-resistant mesh storage bag
