

Tiegear
Heavy Duty Soft Spring
\$14.95

Details

The Heavy-Duty Soft Spring by Tiegear is tightly wound, so you can relax!

From awnings and large tents to caravans and camper trailers, this soft spring is designed to absorb strong winds and thus allow both movement and the grounding of pegs. For versatility, remove the spring loop and use with various styles of pegs, while two robust clips on either end enable alteration to different configurations.

Spring into action at your next setup location, with the Tiegear Heavy-Duty Soft Spring.

Suited to awnings, large tents, caravans, and camper trailers 2 x strong clips either end for versatility 45cm between each clip (unstretched) Spring rate of 75lbs Removeable spring loop allows pegging with various peg styles
