

## Coleman Instant Up 4P Gold Evo Tent

**\$349.00**

### Details

With a quick-pitch design, quality fabrics and the option to add more shade and liveability, the Instant Up 4P Gold Evo Tent from Coleman makes family camping easy.

The integrated frame making setting this tent up a breeze as all you need to do is lay it down, spread out the arms, extend the poles out from the hub until it locks into place, and pop on the fly. It's got a front awning that provides a small amount of shelter at the entrance to the tent, or you can attach a separately available EVO shade awning which also connects to an additional 3x3m Coleman Lighted Instant Up Gazebo so you can relax with more undercover protection. This model has ultra-fine mesh floor level vents and windows throughout the tent for airflow as well as internally adjustable window screens to keep you warm and allow for privacy.

To protect you from the ground underneath there's a heavy-duty Poly-Oxford PVC floor, and to create a comfy and organised campsite there's an internal storage hammock plus pockets, power cord facilities and a handy welcome mat included. Providing the optimal balance between functionality and strength, this versatile tent will give you reliable shelter for your outdoor adventures.

Quick pitch all-in-one frame  
Compatible with separately available zip on 4P Gold Heat Shield Awning  
Front door awning with Velcro for attachment to additional Coleman Gazebo  
Privacy screens inside windows  
Floor level vents with flaps  
Includes 2 x awning poles, pegs and heavy-duty carry bag
