Details

Waking up at the crack of dawn isn't always ideal, especially when you plan to relax on a weekend away. Not a fan of invasive sunlight on your lazy mornings? Coleman have you covered. Their Instant Up 6P Lighted Northstar Dark Room has a special coating on the rainfly which blocks out 95% of light and reduces the heat in your tent by up to 5°.

Setting up this tent is easy - simply lay the tent down, spread the fabric out, extend the poles until they lock into place, then throw the fly over, peg it out - and you're ready to go! The interior features a flexible silicone LED lighting strip, which provides convenient illumination at the flick of a switch. Buy yours here The front features a vestibule which helps add to your living space, and you can also pitch out the two-pole awning for extra shade, plus there's a second door at the rear that can be extended as an awning. You won't lose your essentials amongst the rest of your gear as the Instant Up Dark Room Tent features interior organisers and a storage hammock. This tent features a durable polyoxford PVC floor for toughness, a 3000mm waterhead rated fly to keep off drizzle and has ventilation covered thanks to the ultrafine mesh and the Coleman Circle Ventilation system. The best feature by far though, is that you can put the kids to bed early and have them out like a light, thanks to the dark interior. Enjoy peace and quiet at night and longer sleep-ins with some help from the Instant Up 6P Lighted Northstar Dark Room tent from Coleman. Front vestibule for added living and storage space Fly blocks 95% of sunlight and keeps inside 5° cooler than untreated tents Silicone flexible strip lighting with integrated LED lights Instant up hub frame design sets up in under 2 minutes Front and rear doors can be pitched as a 2-pole awning Hook and loop strip on the awning for attaching to Coleman Deluxe Gazebos Coleman circle ventilation for added airflow Ultra-fine mesh throughout Integrated storage hammock and organisers Power cord management system 2 x welcome mats to keep your tent clean and dry Heavy-duty carry bag and 2 x awning poles included Fits 2 x Queen airbeds
