## Details

The Not Butter Chicken by Offgrid is the chockablock chicken dish that rocks every outdoor dinner!

This pouch is a pocket of coconut, chicken, spices, and spritely tomato for a well-rounded bowl at base camp. Creamy, dreamy, and non-dairy, the protein-packed lentils are carefully cooked while toasted caraway seeds offer a fragrant, star-anise finish to a campsite dish only dreamed about. Shelf-stable and Aussie-made, it's best served with the separately available Offgrid Good Rice and designed to either heat and eat or enjoy cold and fresh for versatility on every adventure. Be you crouched at the campfire or behind the kitchen bench, simply drop into boiling water for five minutes or tear at the top and microwave.
