Details

If you know that the weather is not going to be so fine for your outdoor event, then add some extra protection to your gazebo with the Removable Awning Kit from OZtrail.

The canopy is made from silver-coated fabric to deflect sunlight, which also doubles as a water-resistant barrier. The heat taped seams add to the quality of this awning, while also helping to prevent any leaks.

The perfect gazebo accessory to add to your stash for backyard barbeques, special events, pop-up market stall, or sporting event - this versatile awning will offer you extra protection in the heat or the rain.

Fits any deluxe 3.0 gazebo or pavilion with a 3m side
Not suitable for Fiesta Compact or Commercial Compact Gazebo with offset 45° legs
Great for all-day markets, sporting events, parties and more
300 denier polyester canopy with sewn-in awning for strength and durability
Heat taped seams
UVtex silver coated fabric
